

LOOKING TO MAKE AN IMPACT IN YOUR COMMUNITY?

NKY Tutoring is partnering with businesses like yours, to help provide ACT math tutoring for local area high school students.

These classes are designed to help provide students with the opportunity to grow their ACT scores and increase self-confidence with mathematics on the test and in the classroom.

By raising their scores, students have a greater chance to meet the requirements for the college of their choice. Additionally, it helps decrease the need for taking expensive intermediary classes in college. Lastly, students also enable themselves with additional opportunities at earning college scholarship money.

Through your partnership with NKY Tutoring, students receive sponsored ACT Math prep classes, helping them grow as a student and increase their ACT scores. These classes are at no financial cost to them, allowing them to take these prep courses that they have not been able to afford previously.

We appreciate your consideration to sponsor local area high school students, enabling them to attend ACT Math prep classes with NKY Tutoring.

KNOWLEDGE + PREPARATION + SELF-CONFIDENCE = SUCCESS

ABOUT

NKY Tutoring was founded in 2011 to provide **focused guidance** for high school aged students to achieve **better Math scores** on the ACT, the nation's most popular and widely accepted college entrance exam.

We tutor students of all levels of knowledge in Math and **tailor our services** to provide the assistance they need to be successful not only during the ACT, but also in the classroom.

HOW WE WORK

We focus on the **proven success** of three core components to provide the tools our students need when taking the math section of the ACT.

- 1 Build **knowledge** through a custom study guide.
- 2 **Reinforce** positive test taking habits and strategies.
- 3 Grow **self-confidence** through guided instruction and practice.

WHY CHOOSE NKY TUTORING?

SMALL CLASSES, FOR FOCUSED ATTENTION

CLASS OPTIONS BASED ON MATH BENCHMARKS

CUSTOMIZED STUDY AND FORMULA GUIDE

TESTIMONIALS

“Best investment we could have made! Those **extra 4 points in math** pushed him to the top scholarship level!”

“We **couldn't have asked for a better class situation** for my daughter to take a math prep class for the ACT: small class size, personalized teaching, flexible schedule, and my daughter actually learned from Tony and increased her ACT score. Very worthwhile investment.”

“...after two sessions I felt a lot more confident and knew I had learned a lot. My math sub score **increased 7 points!**”

REACH, AT A GLANCE

- Worked with **300+** students
- Tutored students from **25** local schools
- Also available **nationwide**, via Skype
- Improvement rates upwards of **8** points

KNOWLEDGE + PREPARATION + SELF-CONFIDENCE = SUCCESS

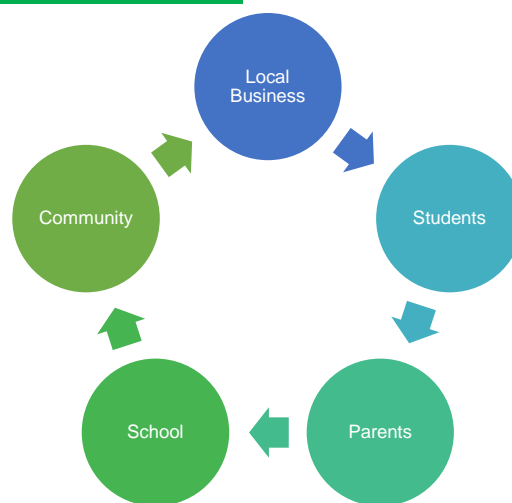

INVEST IN THE FUTURE OF YOUR COMMUNITY

- Your sponsorship is **100%** tax deductible – as an ‘Advertising Expense’ to your business.
- Sponsoring students for ACT Prep classes **provides opportunities** for local area students previously unavailable, due to financial constraints.
- Show your support of your community’s families and schools by **investing in their future** success.
- After you commit to a sponsorship level, we work with local high school counselors to determine the student that would benefit most from the opportunity to attend classes.

MINIMAL INVESTMENT, MAXIMUM RETURN

SPONSORSHIP LEVELS

	1 student.....\$400
	3 students.....\$1200
	5 students.....\$2000
	10 students (full class)....\$4000

WHY ACT MATH PREP?

The ACT is **more than an admissions exam** to college. It is also a **profile and education/career planning tool** to help direct students in their life after high school. Colleges use ACT scores to assist in admissions decisions, and scholarship agencies often base awards around scores.

NKY Tutoring **focuses only on the Math section** of the ACT, a 60-minute test made up of 60 questions. Our classes are designed to **maximize time** and **drive success** for our students.

Contact us today to discuss sponsorship, and help make a difference in your community today, tomorrow, and for years to come.
